**Bosta UK  
Freight Charges  
July 2010**

## Save up to 40% on freight!

For order values of £100 and under

After reviewing the feedback from our recent Customer Survey, it has been made clear that the general opinion of our customers was that our freight charges were too high.

We have listened to your comments and have reviewed our current freight charges to allow us to offer a competitive delivery service. All orders under £100 in value will save up to a massive 40%! Orders over £100 will still be subject to our existing freight charges.

Our revised freight policy takes effect from **Monday 12<sup>th</sup> July\*\***:

|                        | Standard<br>2-3 day | Overnight* | Before 12<br>Noon* | Before<br>10.30am* | Saturday<br>Delivery* |
|------------------------|---------------------|------------|--------------------|--------------------|-----------------------|
| Order value under £100 | <b>£10</b>          | <b>£15</b> | <b>£18</b>         | <b>£25</b>         | <b>£30</b>            |
| Order value over £100  | <b>£17</b>          | <b>£22</b> | <b>£25</b>         | <b>£32</b>         | <b>£37</b>            |

\* Pallets to the following Scottish Postcodes, AB, IV and KW are only available on a 3 day service

\*\* Excluding deliveries where a bespoke dedicated haulage company is required for delivery. This will be charged at cost

Yours sincerely
